LES OBJETS **MOULEVERSANTS by**

SERAX

With the help of Belgian design brand Serax, jewellery brand [Wouters & Hendrix](#) ventures into new territory with Les Objets Mouleversants, their collection of home jewellery. Wouters & Hendrix drew inspiration from surrealism, an art movement of the 1920s which explored dreamlike imagery. Each object thus embodies a certain playfulness. From mussel to red lips: Les Objets Mouleversants is a collection of conversation pieces, adding the finishing touch to your table just like jewellery does in fashion.

About SERAX:

Serax is a Belgian design brand, creating contemporary homeware in collaboration with leading international designers and makers. From dinnerware, home accessories, lighting, pottery and furniture, the Serax collections are imagined by both established designers and new talent, each with their own distinctive vision and design signature. Their creations are realised by skilled craftspeople from across the globe. While unique in design and materiality, the collections remain true to Serax's core philosophy of accessibility, quality and functionality.
