MODERN LUXURY TABLE & SERVICE CUTLERY RANGE

## Table Cutlery Range

These utensils are designed to help individuals consume and enjoy their meals.

While I can't provide specific details about a particular table cutlery range without more information, I can give you a general idea of what items might be included in such a set.

## Service Cutlery Range

A service cutlery range refers to a collection of utensils and tools used not only for dining but also for serving and preparing food.

This range includes items that are essential for setting the table, serving dishes, and facilitating various aspects of meal preparation. Here's a list of items that might be included in a typical service cutlery range:

## PVD CUTLERY

The Vibrant and Lustrous appearance of PVD-coated Cutlery adds a touch of elegance and sophistication to the tablesetting. We provide exceptional durability, making the cutlery resistant to scratches, tarnish and corrosion. This ensures that the cutlery maintains its pristine appearance even with heavy use in the Hospitality Industry.

The PVD coating is non-reactive and food-safe, ensuring that no harmful substances leach into the food. This is especially important in the hospitality industry, where food safety and hygiene are paramount.

## STRAINERS & TEA GLASS HOLDER

Crafted with precision and designed for both functionality and style, our strainers and tea glass holders offer a convenient and elegant solution for tea preparation and presentation. The tea glass holders are specifically designed to securely hold and display tea glasses, preventing spills and adding a touch of elegance to your table setting.

Our strainers are designed with fine mesh screens that effectively strain loose tea leaves, ensuring a smooth and flavorful tea experience. The ergonomic handles provide a comfortable grip, making it easy for your guests or staff to handle and pour tea without the worry of any leaves escaping into the cup.

## BAR NUT BOWLS

Our Bar Nut Bowls are the perfect addition to enhance the snacking experience in your bar or hospitality establishment. The versatile size and shape of our bowls make them suitable for various serving needs, whether it's for individual bar patrons or for use in a shared snack area. The non-slip base keeps the bowl in place, preventing accidental spills and messes. Additionally, the smooth surfaces and easy-to-clean materials make our nut bowls practical for your staff to handle and maintain.

## ICE BUCKETS & BEER BUCKETS

Introducing our Ice Bucket and Beer Bucket Holders, the perfect accessories to enhance the beverage service in your hospitality establishment. With this holder, you can confidently offer your guests chilled beverages without worrying about the ice buckets sliding or tipping over. Our beer bucket holder is specifically designed to hold beer buckets, providing a convenient and stylish solution for serving and displaying your cold beverages.

The holder keeps the beer bucket elevated, allowing easy access to the bottles or cans. This not only enhances the overall presentation but also keeps the beverages chilled for a longer period. Our holders are versatile and can accommodate a variety of bucket sizes and styles.

## WINE CHILLERS & CRADLES

Elevate your wine service with our Wine Chillers and Cradles. The insulated construction helps maintain the desired temperature, whether it's for white, red, or sparkling wines. With our chillers, you can provide a refreshing and enjoyable wine experience for your guests.

The chillers are easy to use, whether you prefer pre-chilling them or adding ice for instant cooling. The cradles provide a stable and secure resting place for your wine bottles, making it easy for your staff to retrieve and serve the wine. Additionally, both the chillers and cradles are easy to clean and maintain, saving time and effort in your daily operations.
