007 FLAVOUR GUN by

100%Chef

007 Flavour Gun is the aromatic aromatizing spray that instantly generates flavored vapor, perfect for filling cloches, aromatizing dishes, or creating edible bubbles on glasses and plates, bringing the wow effect straight to your guests.

007 Flavour is designed for maximum simplicity: you can change the aroma cartridge in just a second, as often as needed. It runs on a rechargeable 9V battery.

This vaporizer was created to simplify the workflow and maintenance for bartenders and chefs.

Color Available: Black, Gold and Blue finish.

Aromas available: Banana, Mint, Blueberry, Citronella, Pineapple, Lavender, Neutral, Cinnamon, Chocolate Coffee, Green Apple, Pure Habano Cigar.

★ Combinable ★ Lightweight ★ Guest Experience

Bubbles are created using [BUBBLER XR](#), a highly stable, food-grade solution. Just a few drops are enough to form a bubble filled with dense, aromatic white vapor right on your drink or dish. Choose from 11 standard flavors or use the [Refillable Aromatic](#), which allows you to add your own nicotine-free aromatic solutions compatible with aroma guns.

The kit consists of:

- 007 Flavouring Gun
- Aladin aromatizer 4 flavors
- Aladin Bubbler 100 ml 2 batteries 9V rechargeable
- and charging cable
- Instruction manual

And now, with the new [007 Flavour Tools](#), take it to the next level: an accessory designed to expand the creative possibilities of the 007 Flavour. This kit of 3 adapters allows you to create condensed aromas, cross-blended scents, and miniature bubbles. Its dual head generates up to 3 times more aromatic vapor, producing bubbles much faster. In addition, it lets you combine two aromas simultaneously or double the flavor intensity, delivering truly unique and unforgettable experiences.
