QUICK DISTILL[®] by

100%Chef

Quick Distill is a professional countertop distiller that allows you to create distillates, hydrosols, and aromatic concentrates quickly and easily. Made from transparent borosilicate glass, it offers a unique visual experience throughout the entire distillation process. Suitable for both alcoholic and non-alcoholic preparations, it is ideal for chefs, bartenders, and culinary R&D projects. Includes all the accessories needed to start distilling right away, as well as access to a comprehensive beginner's recipe guide to explore techniques, recipes and applications from the very first use.

★ **Hand-washable**

★ **Resistant**

★ **Made of borosilicate**

★ **Guest experience**

Professional Applications:

- Aromatic distillates from herbs, fruits, and spices
- Hydrosols and floral or botanical waters
- Unique bases for cocktails and non-alcoholic beverages
- Aromatic concentrates for sauces, juices and broths
- Development of signature products and creative pairings
