MALMAISON RIVIERA by *Christofle*

Radiant Art de Vivre

This new **Malmaison Riviera** opus reinterprets the refined and timeless codes of christofle's Malmaison Collections, with a free spirited and sun-drenched approach.

Each piece of the Malmaison Riviera service appears to capture the Mediterranean sun through a watercolor-like yellow, vibrant and natural, warming and illuminating the table.

Palmettes, rosettes, and evocative rays are the signature motifs of the Malmaison Riviera collection. While they echo the aesthetic codes of Malmaison and Malmaison Impériale, a distinctly solar aura sets this new porcelain service apart.

The hand-drawn motifs unfold into a radiant, elegant decor. This luminous collection heralds moments of lightness and contemplation.

A collection with solar accents

The collection weaves a narrative of sunlit poetry. Comprising **around fifteen pieces in fine porcelain**, each features its own **hand-drawn décor**. **Ornamentation fills the plates**, which, when combined, create a vibrant visual composition. Each decorative motif responds to the others with rhythm and symmetry.
