KOJIN by POMAX

Kojin, named after the Japanese 'Kami', the spirit of fire, kitchen and transformation, captures a quiet strength and poetic simplicity. Crafted in pure white porcelain, each piece balances rawness and refinement, with a matte outer skin and a glossy, light-catching interior. A delicate fracture line flows through the design like a whisper, echoing the feminine form in soft, curved silhouettes. Minimal yet expressive, Kojin brings a sense of ritual to the everyday.
